Urgency:
☐ Standard ☐ Urgent (In checking this box, I attest to the fact that applying the standard review time frame may seriously jeopardize the customer's life, health, or ability to regain maximum function)

Medication requested:
☐ Onpattro 10mg/5ml vial

Dose and Quantity: Duration of therapy: J-Code:

Frequency of administration: ICD10:
What is your patient's current weight?
Is this a new start or continuation of therapy? If your patient has already begun treatment with samples, please choose "new start of therapy". ☐ new start of therapy ☐ continuation of therapy

(Please note: there are different preferred products depending on your patient's plan. Please refer to the applicable Cigna health care professional resource [e.g. cignaforhcp.com] to determine benefit availability and the terms and conditions of coverage)

Where will this medication be obtained?
☐ Orsini Specialty Pharmacy
☐ US Bioservices
☐ Hospital Outpatient
☐ Retail pharmacy
☐ Other (please specify):
☐ Home Health / Home Infusion vendor
☐ Physician's office stock (billing on a medical claim form)

Facility and/or doctor dispensing and administering medication:
Facility Name: State: Tax ID#:
Address (City, State, Zip Code):

Where will this drug be administered?
☐ Patient's Home
☐ Hospital Outpatient
☐ Physician's Office
☐ Other (please specify):

NOTE: *Per some Cigna plans, infusion of medication MUST occur in the least intensive, medically appropriate setting.*

Is this patient a candidate for re-direction to an alternate setting (such as alternate infusion site, physician's office, home) with assistance of a Specialty Care Options Case Manager? ☐ Yes ☐ No (provide medical necessity rationale):

Is the requested medication for a chronic or long-term condition for which the prescription medication may be necessary for the life of the patient? ☐ Yes ☐ No

Diagnosis related to use:
☐ polyneuropathy of hereditary transthyretin-mediated (hATTR) amyloidosis
☐ other (please specify):

Clinical Information:

****This drug requires supportive documentation (chart notes, genetic, lab and test results, etc). Supportive documentation for all answers must be attached with this request****

Is documentation being provided that the patient has a transthyretin pathogenic variant as confirmed by genetic testing? - Please note: Documentation may include, but is not limited to, chart notes, laboratory tests, medical test results, genetic test results, claims records, and/or other information. Medical documentation specific to your response to this question must be attached to this case or your request could be denied ☐ Yes ☐ No

Is documentation being provided that the patient has symptomatic polyneuropathy? Note: Examples of symptomatic polyneuropathy include reduced motor strength/coordination, and impaired sensation (for example, pain, temperature, vibration, touch). Examples of assessments for symptomatic disease include history and clinical exam, electromyography, or nerve conduction velocity testing. - Please note: Documentation may include, but is not limited to, chart notes, laboratory tests, medical test results, genetic test results, claims records, and/or other information. Medical documentation specific to your response to this question must be attached to this case or your request could be denied. ☐ Yes ☐ No

Is this medication prescribed by, or in consultation with, a neurologist, geneticist, or a physician who specializes in the treatment of amyloidosis? ☐ Yes ☐ No

While taking this medication, will your patient also receive other medications indicated for the treatment of polyneuropathy of hereditary transthyretin-mediated amyloidosis or transthyretin-mediated amyloidosis-cardiomyopathy (for example, Amvuttra [vutrisiran subcutaneous injection], Attruby [acoramidis tablets], Tegsedi [inotersen subcutaneous injection], Wainua [eplontersen subcutaneous injection], or a tafamidis product)?

☐ Yes, or Possibly
☐ No

(if yes) Please explain and provide clinical rationale for concurrent use of these drugs.

Additional Information: *Please provide clinical rationale for the use of this drug for your patient (pertinent patient history, alternatives tried, any inability to use alternatives above or standard therapy, etc). Please include drug name(s), date(s) taken and for how long, and what the documented results were of taking each drug, including any intolerances or adverse reactions your patient experienced.*

Attestation: I attest the information provided is true and accurate to the best of my knowledge. I understand that the Health Plan or insurer its designees may perform a routine audit and request the medical information necessary to verify the accuracy of the information reported on this form.
